

## The Power of Our Impact

In a world that often emphasizes individualism and self-interest, it is essential to recognize the strength and impact of a united community. Saint Clement stands as a towering spire, radiating the power of collective action and care for the mission of Jesus Christ. Through our unwavering commitment to pray, learn, serve, share, and belong, we not only strengthen ourselves as individuals but also bring hope, joy, and healing in Jesus' name to those in need.

At Saint Clement, we understand that our faith calls us to be active participants in the mission of Jesus Christ. As a testament to this commitment, we pledge to give 10% of our Sunday giving to organizations serving the underprivileged in Chicago, across the country, and around the world through our Clement Commits program. This act of giving allows us to extend our impact beyond the walls of our church, reaching those who are most in need. You can review the organizations we supported together this year [here](#).

We are not merely a gathering of disconnected individuals, but a vibrant and strong community. By actively engaging in the five anchors of pray, learn, serve, share and belong, we forge deep connections and foster a sense of belonging. When we give to Saint Clement, we become agents of transformation. Our contributions go beyond financial support; they embody our commitment to love and serve others. Each act of giving, no matter how small, has the power to create a ripple effect of positive change that extends far beyond what we can imagine.

In our ever-evolving digital landscape we recognize the importance of embracing technology to facilitate giving. We encourage new members to enroll in online giving through our [website](#), providing a convenient and efficient way to support our community's mission. By embracing online giving, we ensure that the act of giving remains accessible to all, regardless of physical location or circumstances.

Saint Clement stands as a testament to the power of a strong and united community. Through our commitment we actively participate in the mission of Jesus Christ. By giving 10% of our ordinary income to organizations serving those in need, we extend our impact beyond our immediate community, bringing hope and healing to individuals and communities around the world. Together, we can continue to support and strengthen Saint Clement, ensuring that our community remains a force for positive change in the world. Let us stand tall, united in our mission to bring hope, joy, and healing to all.

Blessings,

Fr. Peter Wojcik, Pastor
