

# Become a Saint Clement Navigator!

It's tough being the new one in a parish. Share what you know to lift up another!

This summer, Saint Clement is launching the **Navigator** role and invites adult parishioners of all ages to become Saint Clement Navigators.

Through a **small investment** of time, intentionality, and hospitality, you could make a **special impact** on the journeys of new parishioners seeking to pray, serve, learn, belong, and give.

**If interested, sign up using the QR code!**

## How it works

A navigator will be matched to each new parishioner or family and will serve as Saint Clement's **first face of welcome to that newcomer**.

The Navigator's official responsibilities total about **6-10 hours**, spanning a parishioner's **first six months** at Saint Clement.

**1** Right at the beginning  
**Initial reach-out and meet-up**  
Hold a coffee/lunch or other "get-to-know-you" meet-up with the newcomer(s). Suggest "first steps" to the new parishioner(s) based on their interests, desires and call.

**2** A month or two into it  
**Accompany to New Parishioner Mass**  
Determine which monthly NPM to attend and accompany the new parishioner(s) to the Mass.

**3** 1-3 months into it  
**Accompany to New Parishioner Happy Hour**  
Invite newcomer(s) to the NPHH and accompany them there.

**4** Throughout the 6 months  
**Ongoing support & hospitality**  
Answer questions, issue invitations, and provide additional support as needed.

**5** At the 6 month mark  
**6-month follow-up**  
Check how things are going, determine unmet needs, and connect newcomers(s) to any additional resources, programs or people.
