Gospel Reflection:

Who is Jesus addressing as he speaks?

What is the main point of Jesus' message in this reading?

What is one personal and practical way you can apply this?

Liturgy of the Eucharist

Jesus is present with you, physically and spiritually. You are heart to heart, face to face with him right now. You are united with everyone present at Mass in a special way, but right now, speak to Jesus in your heart. He hears your prayers, and shares your joys and sorrows.

You are face to face with Jesus. What do you need him to do for you?

What can you thank Jesus for right now?
